

I Calendar Travels Pvt. Ltd. working as Tour Operators in India as well as some other countries like Nepal, Sir Lanka etc. I have worked some 10 years as Tour Guide for big Travel Operators in India. I have now decided to start my own travel agency "Calendar Travels".

Calendar Travels Pvt.Ltd. will be focused on small groups and tailor made individual tours based on my detailed experience these last 10 years. An experience which I know will reward many tourists with impressions and information not always fully nor with specific interesting details found in the usual tourist guides.

Our team is for people who have a passion for the traditional romantic and exotic India. It is for those wanting to know how India with its intriguing history is moving into the modern world. We also want to introduce you to the fascinating aspects of life in Nepal and Bhutan, Sir Lanka ,Cambodia ,Myanmar . We have an expert knowledge that we feel proud to share with you. We will help you to choose tours to be remembered and to be talked about to your friends. Tours made for groups or tailor made for private itineraries.
